

Welcome to the association Women for Each Other.

For all women in Oosterhout we organize interesting and educational activities such as nice meetings, sewing lessons and Dutch language lessons.

The goal of the association is to improve the future of women and their children. We bring women with different backgrounds together so that they can get to know each other. Women can develop themselves with their own ideas and interest.

All women are welcome!

You want to know more about our organization, please check Facebook Vereniging Vrouwen Voor Elkaar or contact via info@vrouwenvoorelkaar.nl or tel 0682904701.
